

Dear Friends and Family,

This coming summer I along with nine other people have been given a chance to serve on a short-term mission trip to Chicago. Our group will be going all over Chicago spreading the love of God helping out with ministries ranging from clothing shelters to helping out the children in some of the lesser developed communities.

When: July 5<sup>th</sup> – July 12<sup>th</sup>

Where: Chicago, Illinois

Purpose: Outreaching to the people of Chicago and at the same time developing our own spiritual maturity with God.

Prayer: 1.) That the people of Chicago will be receptive to the idea of Christianity.  
2.) The unity of our team and that we'll all be open to the way God wants to use us.  
3.) When this short term experience ends; everyone on my team will experience something to take back with them.

Cost: A lot of the costs have already been covered but each one of us still has to raise approximately 250 dollars each.

If you would like to donate, please make a check payable to:

With a note designating, Derek Chin (moi) as the contribution.

God Bless,

Derek
