Finally! A family photo worthy of being an updated Missionary Fridge Magnet!

## Standing Firm

1 Corinthians 15:58 Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.

No matter where in the world, COVID-19 has hit us all. It has changed the way we work, interact, and do ministry. Most of those changes are uncomfortable and incredibly challenging. 1 Corinthians tells us to stand firm, but one can only do so if there is a strong and stable foundation to stand on. Each COVID related challenge is an opportunity to test that foundation. Believe me, like you all we wish those challenges would just vanish. It's times like these that help us to re-evaluate what working for the Lord is truly about.

One of those examples of staying firm is enduring change while getting busier than ever before! Word is spreading quickly of the wonderful services that are being provided. But some changes include losing one of our beloved staff, but also the inclusion of Chantal, our new dental therapist, as well as another assistant, Ruth. The growth of our team combined with increased measures for COVID prevention has kept us quite busy!

years!

We visited a coffee washing station. The kids had a chance to participate and see the whole process from pick to drink!

---

### Prayer Requests

1. We are moving houses at the end of the month. Pray that our new home would be a place of peace and a smooth transition.
  2. We will be meeting with 2 dental graduates tomorrow September 22 who will begin a part time internship at our hospital! Pray for a good relationship and open doors to share Christ.
