

JUNE 2022

## Our 2021-2022 “Yearbook”

Our school year finished on May 27, and we’re now on summer break. We have a Chow family tradition of making a photo yearbook each June. Our yearbooks serve as opportunities to remember and praise God for the ways He carried us through!

### Ministry

1. We’re so proud of the teachers who completed their first year at Faith! Brittany and Grady are newlyweds from Canada, and they were a huge asset to our high school division in teaching Bible, social studies, and French. Ev had the joy of mentoring them as new staff.

2. Faith Academy received clearance for limited face-to-face learning this past February. Our campus was alive with students again! We also had in-person graduation ceremonies in December and May.

### Personal

1. We learned to readjust to the Philippines. Yes, there was frustration, exhaustion, and confusion. God also gave us wisdom, patience, and joy. Here, Dennis is grocery shopping and thrilled to find our favorite bread!

2. Edén was born January 17. We praise God for Edén’s safe delivery, and God carrying our family through the challenging time of a COVID-19 birth.

3. Lincoln attended a playgroup two mornings a week. One of his favorite activities is to play with his cars; they usually “drive to swimming pool at Faith Academy.”

4. Next school

year will be Dennis’ sixth year at Faith Academy and Ev’s ninth (a total of 15 years between us!) We praise God for His faithfulness through the years. Thank you to our amazing friends and family who also make it possible through prayer and finances.

We pray that you’re able to see God carrying you through your “yearbook” moments, too.

With love, *Dennis, Evangeline,*  
*LINCOLN, & EDEN*
